Dear Dialysis Center Provider,

The reimbursement policy for continuous ambulatory peritoneal dialysis (revenue code 841) and continuous cycling peritoneal dialysis (revenue code 851) for when these services take place in the home (condition code 74) was updated. Payments for dates of service on or after July 1, 2022, will be reconciled to reflect [the correct rates for FY 22-23](#) for revenue codes 841 and 851 billed with condition code 74.

Some home dialysis claims that processed on or after July 1, 2022, were paid using the older rates (FY21-22). Affected claims will be reprocessed and funds recouped in the coming months.

Contact Eric Schmitz at Eric.Schmitz@state.co.us or Victoria Martinez at Victoria.L.Martinez@state.co.us with questions regarding the policy.

Thank you,
