Department of Health Care
Policy & Financing

Dear Home and Community-Based Services Provider,

The Department of Health Care Policy & Financing (the Department) is seeking input on a grant-funded opportunity for Home and Community-Based Services (HCBS) providers, as provided below.

HCBS and Behavioral Health Provider Technology and Digital Tools Investment Grant

The purpose of this project is to provide one-time funding to home and community-based and behavioral health providers for tools and technology that would enhance, improve efficiencies and strengthen the services they provide.

Purpose of the Grant

- Assist eligible HCBS and behavioral health providers in adopting, implementing and upgrading technology and digital tools to support their service delivery
 - The program intends to award \$18 million to providers in 2023
 - The application opens this Fall 2022

Request

- The Department and the Office of eHealth Innovation (OeHI) is requesting feedback on the technology needs for HCBS and behavioral health providers to inform the planning & development of a technology grant program.
- Link to the [Digital Tools and Technology survey](#).
