Dear Durable Medical Equipment (DME) Provider,

Some claims subject to geographic rates for DME codes paid between September 10 through October 1, 2021, did not adjudicate at the correct rate. Claims were both over and underpaid, but the majority of claims initially underpaid. Affected claims will be reprocessed in the upcoming week. More information will be provided in future communications.

Visit the [Provider Rates & Fee Schedule web page](#) and look under the Durable Medical Equipment, Upper Payment Limit heading for the Durable Medical Equipment 2021 fee schedule.

Thank you,

Department of Health Care Policy & Financing
