IHRP 2.0 Overview

- IHRP 2.0 is a **completely redesigned, streamlined program**
 - **Please remember: It is NOT just a re-launch of IHRP 1.0**
- The Department has created an infographic, a “cheat sheet” to better understand the components of IHRP. (coming slides)
 - Will be posted to ColoradoPAR IHRP website
- IHRP 1.0 required an Admission review for *all admissions* except maternity and long-term rehab, and a concurrent review on Day 4 for *all* members.
 - **These are *not* requirements of IHRP 2.0**
