Questions We Are Working On

- **Admission Review:** What criteria is Kepro utilizing? What if we do not utilize that criteria?
- **Concurrent/Post Admission Review:** Why do we need to enter a review on Day 6, 30, 60, 90 if we (hospitals) do not identify a care coordination need?
- **Care Coordination:** The RAEs did not utilize data in IHRP 1.0 to help with care coordination, how is HCPF addressing this for IHRP 2.0?
