

HCPF/County Directors Monthly Support Meeting
3/28/2023
Agenda

- Welcome: 2 minutes
 - Platform: Zoom
 - Meeting Logistics
- Discussion Topic: **iCR for Medical Assistance Renewals** - 15 minutes
 - Guest Presenter: Marivel Klueckman
 - Details: *HCPF is moving forward with a fast-track project that will code iCR for counties using HSCONnect and EDMS Hyland systems. This project will use iCR to identify paper renewal packets that were received/scanned and whether or not the renewal was signed. This information will be used to automatically start a renewal in CBMS or generate a request for signature. The benefit for this project is that members who have submitted their renewal but are waiting for it to be processed will not be inappropriately discontinued by CBMS.*
