

Dear Provider,

The Department of Health Care Policy & Financing (the Department) is resuming the planning and development of the Health First Colorado (Colorado's Medicaid Program) Maternity Bundled Payment Pilot Program. The program start date has been delayed from July 1, 2020, to October 1, 2020, and the Department is still seeking initial pilot participants. The Department thanks providers for their continued interest in supporting the development of this program.

Both meetings are available by remote participation only. Please register in advance to receive details and materials prior to the meetings.
