#### What I Should Know - Rights & Responsibilities

- I am signing this renewal form under penalty of perjury. That means that I have provided true answers to all the questions on this form to the best of my knowledge. Also, I understand that I may receive penalties under federal law if I provide false or untrue information.
- Federal and Colorado state law require the Department of Health Care Policy and Financing to recover all medical assistance benefits, including capitation payments, paid on behalf of Health First Colorado clients from the estates of deceased Health First Colorado clients who were permanently institutionalized. For Health First Colorado clients who were over the age of 55 when benefits were provided, the Department recovers payments for nursing facility services, home and community-based services, and related hospital and prescription drug services. There are certain exemptions to estate recovery. Please contact your county or coestaterecovery@hms.com for additional information.
- I know I am responsible for keeping my information up to date. I understand I must report any changes to the information I have provided within 10 days of the change. I understand changes I report might affect whether someone in my household qualifies for health care coverage. I can report changes online at <u>CO.gov/PEAK</u> or through my county office or organization that assists me.
- I understand the Department is authorized to collect and process my household information and confirm that information through federal databases that verify information. Everyone on my form has given me permission to share and submit their information and to receive communications about their eligibility and enrollment.
- The information the Department collects, and processes will be used to decide if I and members of my household qualify for health care coverage. The Department's authority to collect, process and verify my information comes from the Patient Protection and Affordable Care Act and the Social Security Act. I understand that if I do not qualify for Medicaid or Child Health Plan Plus, the Department will share my information with Connect for Health Colorado so they can see if I qualify.
- I know that under federal law and state law, discrimination is not permitted on the basis of race, color, ethnic or national origin, ancestry, age, sex, gender, sexual orientation, gender identity and expression, religion, creed, political beliefs, disability, or marital status. I can file a complaint of discrimination by visiting: <a href="https://hcpf.colorado.gov/nondiscrimination-policy">https://hcpf.colorado.gov/nondiscrimination-policy</a> and <a href="https://www.hhs.gov/ocr/filing-with-ocr/index.html">https://hcpf.colorado.gov/nondiscrimination-policy</a> and <a href="https://www.hhs.gov/ocr/filing-with-ocr/index.html">https://www.hhs.gov/ocr/filing-with-ocr/index.html</a>.
- If I think Health First Colorado/Child Health Plan Plus (CHP+) has made a mistake, I can appeal the decision. Appeal means I tell a county or state office that I disagree with a decision and I want a hearing. I have the right to represent myself at my appeal hearing. I may also choose a lawyer, relative, friend or any other person to act as my authorized representative. The Department will tell me in writing (Notice of Action) how to make an appeal.
