

Office of Community Living Update Webinar Disability, Older Adult, & Advocacy Communities

January 20, 2022

Bonnie Silva Office Director

Colin Laughlin Deputy Office Director

Amanda Lofgren Division Director

Julie Reiskin Executive Director, Colorado Cross Disability Coalition

Agenda - Community

- **New Health Disparities and Equity, Diversity & Inclusion Officer**
- **2022 Webinar Schedule**
Bonnie Silva, Office of Community Living Director, HCPF
- **American Rescue Plan Act Update**
Bonnie Silva, Office of Community Living Director, HCPF
- **Budget Supplementals**
Bonnie Silva, Office of Community Living Director, HCPF
- **\$15 Base Wage Updates**
Colin Laughlin, Office of Community Living Deputy Director, HCPF
- **New CDC Quarantine Guidance**
Colin Laughlin, Office of Community Living Deputy Director, HCPF
- **NMT Check In**
Colin Laughlin, Office of Community Living Deputy Director, HCPF
- **IRSS Changes**
Colin Laughlin, Office of Community Living Deputy Director, HCPF
- **Case Management Redesign Update**
Amanda Lofgren, CMQP Division Director, HCPF

Meet Aaron Green

Aaron R. Green Sr., MSM, MSW

**Health Disparities and Equity, Diversity
& Inclusion Officer - HCPF**

2022 Webinar Schedule

- **OCCL Updates**
 - January - March - June - September
 - Guest presenters from other parts of HCPF, other state agencies
- **Quarterly ARPA Updates (and other updates as needed)**
 - February - May - August - November
 - Co-presented with HCPF Health Programs Office (HPO)

American Rescue Plan Act Updates

Stakeholder Engagement and Communications

- ARPA Project Pulse Newsletter launching tomorrow - [SIGN UP HERE](#)
- ARPA Webpage expansion underway
 - New dedicated pages to each project category group
 - Articles, meetings announcements, meeting material archives, and more
 - New ARPA-specific stakeholder calendar on website
 - Similar to OCL Stakeholder calendar, but only ARPA project meetings
 - Birds eye view of all opportunities across all projects in one place
- Focused work to strategically consolidate and efficiently offer stakeholder engagement opportunities
 - Coordination across all projects
 - Respectful of valuable stakeholder time

Supplementals

BA-7: “Increase Base Wage for Nursing Homes”

- Requests a statewide, annual payment for nursing homes that pay a base wage of \$15 per hour to workers
 - \$4.8M total funds in FY 2022-23

S-10, BA-10: “ARPA Spending Authority”

- Requests formal spending authority for expenditures in the HCBS ARPA spending plan, which is a requirement of SB 21-286
 - \$179.0M total funds in FY 2021-22
 - \$251.4M total funds in FY 2022-23

Supplementals

S-16, BA-16: “HB 21-1166 Rollforward”

- Requests rollforward funding to implement HB 21-1166, “Comprehensive Care Coordination and Treatment Training Model,” across fiscal years due to a failed vendor procurement this year
 - \$0 total funds (rollforward authority only)

S-20, BA-20: “Skilled Nursing Facility Enhanced Payments”

- Requests temporary funding for nursing facilities to support sustainability and incentive hospital discharges
 - \$20M total funds in FY 2021-22

\$15 Base Wage Updates

Reporting:

- The letter to be provided to all impacted workers is [posted on the Department website](#)
- An Operational Memo will be sent out in February with the reporting tool and instructions for completion
- First report will be due no later than June 30, 2022
- HCPF_WageCompliance_FCU@state.co.us

\$15 Base Wage FAQs

Is the entire rate increase supposed to be passed through to the worker?

No, the base wage requirement is not a wage pass-through. Providers are receiving increased rates for eligible services so that workers can earn the base wage. Any additional funds can be used for other provider expenses at the discretion of the agency.

\$15 Base Wage FAQs

Will this rate increase be temporary or permanent?

This rate increase will be funded through the Department's approved American Rescue Plan Act (ARPA) spending plan through mid-April of 2024. The ongoing funding of this initiative is included in this upcoming year's Governor's Budget and is contingent on approval by the legislature.

Policy & Financing

\$15 Base Wage FAQs

Why didn't Denver County rates receive an increase?

Denver County rates did in fact receive an increase. In 2020, the General Assembly approved rate increases for specific services in Denver effective January 1, 2021 and January 1, 2022 to support increased costs associated with the Denver Minimum Wage.

New CDC Quarantine & Isolation Guidance

COLORADO

Department of Health Care
Policy & Financing

Updated COVID Guidance

- New [CDC Guidance](#) issued shortens the recommended isolation and quarantine period for the *general population*
- Throughout the pandemic, Adult Day and Day Habilitation Providers have been categorized by the state as [“limited healthcare settings”](#) and have followed CDPHE and HCPF guidance for those settings (*ie. not part of the general population*)
- CDPHE has updated Colorado’s guidance to match for the *general population* and they are in the process of updating guidance for health care workers. Until that guidance is updated, providers (including Day Program providers) should follow [Existing CDC Guidance for Healthcare Personnel](#)

Work Restrictions for HCP With SARS-CoV-2 Infection and Exposures

HCP are considered “boosted” if they have received all COVID-19 vaccine doses, including a booster dose, as recommended by CDC. HCP are considered “vaccinated” or “unvaccinated” if they have NOT received all COVID-19 vaccine doses, including a booster dose, as recommended by CDC.

For more details, including recommendations for healthcare personnel who are immunocompromised, refer to Interim Guidance for Managing Healthcare Personnel with SARS-CoV-2 Infection or Exposure to SARS-CoV-2 (conventional standards) and Strategies to Mitigate Healthcare Personnel Staffing Shortages (contingency and crisis standards).

Work Restrictions for HCP With SARS-CoV-2 Infection

Vaccination Status	Conventional	Contingency	Crisis
Boosted, Vaccinated, or Unvaccinated	10 days OR 7 days with negative test [†] , if asymptomatic or mildly symptomatic (with improving symptoms)	5 days with/without negative test, if asymptomatic or mildly symptomatic (with improving symptoms)	No work restriction, with prioritization considerations (e.g., asymptomatic or mildly symptomatic)

Work Restrictions for Asymptomatic HCP with Exposures

Vaccination Status	Conventional	Contingency	Crisis
Boosted	No work restrictions, with negative test on days 2 [‡] and 5–7	No work restrictions	No work restrictions
Vaccinated or Unvaccinated, even if within 90 days of prior infection	10 days OR 7 days with negative test	No work restriction with negative tests on days 1 [‡] , 2, 3, & 5–7	No work restrictions (test if possible)

[†]Negative test result within 48 hours before returning to work

[‡]For calculating day of test: 1) for those with infection consider day of symptom onset (or first positive test if asymptomatic) as day 0; 2) for those with exposure consider day of exposure as day 0

Isolation and quarantine are important tools for preventing the spread of COVID-19. Both strategies keep people who may be contagious away from others who might catch the virus from them. The best place to isolate or quarantine is in your own home.

If you have been instructed to isolate or quarantine and have any questions, please contact your [local public health agency](#). These isolation and quarantine instructions apply to the general population in the community, including workplaces. They do not apply to schools [health care settings](#), correctional settings, homeless shelters, or other high-risk congregating living settings.

Si le han pedido que se aisle o se ponga en cuarentena y tiene alguna pregunta, por favor comuníquese con su [agencia local de salud pública](#).

Isolation

If you have [tested positive for COVID-19](#), you should isolate. If you have symptoms of COVID-19 and are waiting

Quarantine

If you have been exposed to someone who has COVID-19, you may need to quarantine. Quarantine means staying

Non-Medical Transportation (NMT) Provider Requirements

- Effective January 2022, A new vendor will assume responsibility for credentialing all newly enrolling and revalidating NMT providers.
- Providers will send the necessary documentation to the vendor for a compliance review (driver documents, safety inspection, insurance)
- Following satisfactory review of submitted documents, the vendor will issue a Certificate of Compliance to the provider to submit with their new, maintenance, or revalidation HCBS provider application.
- New enrollees, as well as revalidating providers, will be required to provide any applicable compliance documents to the vendor by June 30, 2022

★ ***Vendor will only provide credentialing services for the HCBS provider community; they will not act in a Broker capacity***

HB 18-1376

Regulation of Individual Residential Services and Supports (IRSS) Providers

1. Grants the Department authority to promulgate rules
2. Together with the Division of Housing (DOH), the authority to inspect individual providers for compliance with HUD standards, as well as permissible corrective actions.

- The Department has passed regulations requiring all Host Homes and Provider Owned and Leased settings to receive a HUD inspection by the Division of Housing (DOH).
 - Those inspections were delayed due to COVID, but have resumed this winter.
- DOH also operates a database of all PASAs that operate Host Homes and Provider Owned and Leased settings.
 - This allows the Department to have information about all of these settings - where they are located, who lives there, who the direct care provider is

The Department now has much better oversight of these settings, ensuring safety requirements are met.
