PDPPC Agreements:

- Work together and will stay solution-focused
- Be honest, forthright, accountable, and respectful
- “Step up and step back” - Express yourself and be mindful not to dominate the conversation
- Keep an open mind
- Don't repeat what others have said - just say “ditto”
- Invite people who have not spoken to speak
- Do not use acronyms
- Provide quick background on complex topics at the beginning of long discussions
- Stay focused on the agenda and use a timekeeper
- Make this meeting a safe place to talk about issues
- Discuss what is working as well as what is not working
- Allow for flexibility, agreement, and disagreement
- Provide consistent follow-through and closure to recommendations
- Share timely and accurate information with persons not in attendance
- Do not personalize anger or mistake passion for anger

Members of the PDPPC are identified in the following groups:

- CDASS and IHSS members
- Authorized Representatives
- Attendants
- Family members of CDASS and IHSS members (attendants or not)
- Advocates
- Independent Disability Advocates (organizations/individuals that advocate for changes with and on behalf of persons with disabilities. They do not receive Medicaid funding and do not have a conflict of interest specific to Long-Term Services and Supports (LTSS)).
- Case Management Agencies
- IHSS Agencies
- Contractors (Financial Management Services and Training and Support contractors)
- State agency staff, including HCPF staff

Voting Structure:

The ability to vote in the PDPPC is based on consistent stakeholder participation, which shows one's commitment to developing and implementing the committee's work outcomes. Members in defined categories are given voting rights based on their attendance.

Voting Member Categories and Voting Rights:

1. A PDPPC member will have the right to vote after attending three meetings in a row. An individual carrying the vote for their organization must meet this attendance requirement.
 - CDASS and IHSS members, family members (attendants or not), Authorized Representatives, and attendants each have one vote.
 - Advocates have one vote per advocate or organization.
 - Case Management Agencies have one vote per agency.
 - IHSS Agencies cannot represent more than 20% of the voting members for a vote. If they exceed 20%, the agencies must decide which will participate. Each will have one vote.
 - Contractors have one vote.
 - State staff at HCPF and CDHS do not have a vote.
2. Voting must be done in person, online, or over the phone during a meeting.
3. Votes cannot be by proxy (acting on behalf of another person).
4. Three consecutive unexcused absences will result in the loss of a vote.
5. An excused absence must be requested from one of the PDPPC co-chairs.
6. After three excused absences in a row, a voting member may vote in the fourth meeting. If they are not present for the fourth meeting, they must again attend three meetings in a row to reinstate their vote.

Any voting member may not have a conflict of interest for specific decisions requiring a vote. A conflict of interest is when an individual's personal or professional interests could compromise their judgment, decisions, or actions regarding the process or primary interest of the PDPPC.

The Goals for Voting are to:

- Maintain consistency and knowledge of the issues and recommendations
- Allow new members into the process.
- Prevent any option to “occupy”/“control” any one meeting to get an outcome.
- Maintain a 60% voting participation by CDASS participants, family members (employees or not), and Authorized Representatives.

PDPPC Voting Structure Approved: June 2012, Amended 3/27/13, 8/28/13, 4/23/14, 9/23/15, 9/25/24.

Co-Chair Voting has Occurred: June 2024 (Dates before 2024 not documented)
