

## Participant-Directed Programs Policy Collaborative April 2025 Attendance and Voting Rights

This document shows Participant-Directed Programs Policy Collaborative (PDPPC) voting rights as of April 2025. The ability to vote in the PDPPC is based on consistent stakeholder participation. Stakeholders in defined categories who have attended three meetings in a row are given voting rights. An individual carrying the vote for their organization must meet this attendance requirement. Three consecutive unexcused absences will result in the loss of a vote. Contact a co-chair to request an excused absence. See the meeting agenda for more information about the voting policy and co-chair contact information.

Key: X = attended, E = excused, V = vote (name also bolded and with an asterisk).
