

**COLORADO**  
Department of Health Care  
Policy & Financing

Dear Pediatric Behavioral Therapy Provider,

The Pediatric Behavioral Health benefit will be reviewed during the second half of 2023. Feedback is requested from providers. COABA (Colorado Association for Behavior Analysis) has been asked to present information related to the review process and criteria, as well as their suggestions for changes and improvements. Speakers from COABA will include Emily White, Dr. Patrick Romani, Jonathan Mueller, Dr. Jeff Kupfer, Nicole Da Lima Leitao and Ken Winn.

Not every provider is a member of COABA, and this opportunity is being offered for other providers to participate in this process and share feedback beyond what is addressed by COABA that could help make important improvements to the benefit and the prior authorization request (PAR) process. There will be time at the end of COABA's presentation for a few providers to add any items that may have been missed or are specific to their modalities. Feedback and suggestions will be accepted in writing after the session.

Join this presentation on June 29, 2023, from 9:00 a.m. to 11:00 a.m. MT. Note that this session will be hosted and facilitated by the Colorado Health Institute, which is supporting the Department of Health Care Policy & Financing (the Department) with stakeholder engagement efforts. Department staff will also be present.

**COABA Listening Session: BCBA/ABA Feedback**

Thursday, June 29, from 9:00 a.m. to 11:00 a.m. MT
