

# Performance Measurement & Member Engagement (PMME) Subcommittee Meeting

September Meeting  
9.22.2022

# Meeting Objective

The goals of this meeting are to discuss EPSDT well child visits; to begin discussion about ways to engage Members in the design and implementation of ACC Phase III; and to review and discuss the Department's health equity plan.

# Colorado Department of Health Care Policy & Financing (HCPF) Mission

Improve health care equity, access and outcomes for the people we serve while saving Coloradans money on health care and driving value for Colorado.

# PMME Conversation Guidelines

## Reminder:

Non-voting members, please  
use the chat only.

- Assume best intent.
- Be tough on issues, soft on people.
- Step forward/step backward so everyone participates.
- Avoid acronyms.
- Acknowledge what hat you're wearing.
- The answer to "but" is "yes"
- Be thoughtful and respectful.
- Mute yourself when you're not speaking and please use the chat feature when appropriate.

# Agenda

- 3:00 - 3:05: Welcome, Introductions, and approval of July Minutes
- 3:05 - 3:15: Update from State ACC PIAC
- 3:15 - 3:35: Children's Services Steering Committee/EPSTD Advisory Board Update
- 3:35 - 3:50: ACC Phase III Member Engagement
- 3:50 - 4:20: Health Equity Plan Update
- 4:20 - 4:25: Public comment
- 4:25 - 4:30: Next Steps and Wrap Up

# July Meeting Minutes

# Update from State ACC PIAC

Christina Suh, PMME Co-Chair

# Well Child Visit Recommendations Recap

Christina Suh, PMME Co-Chair

# Well Child Visit Recommendations

- 1. Improve Education for Members on Well Child Visits.** The primary recommendation from PMME is to improve education for Members on Well Child Visits (WCV). The Committee agrees that there is an opportunity to empower Members with clear and relevant information. Understanding the value of a well child visit for the family and child in preventative care is a vital part of wellness and early intervention.

As one of the primary sources of information regarding Well Child Visits, PMME recommends that the Department review the current EPSDT Outreach materials (federal rules 42 CFR 441.56 (a)), regarding Well Child Visits with these considerations in mind:

- Terminology used for WCV which includes physicals, checkups, and sports physicals should be consistent in all distributed material.

- The sports physical is not a comprehensive WCV

- The timelines for well child visits.

- Well child visits are free of charge.

- Understanding the value of a WCV and preventive care and why this exam should be conducted annually.

- Availability of transportation.

- Clear nontechnical language in all educational materials.

# Well Child Visit Recommendations (cont.)

2. **Transportation-** Improve transportation access for Members.
3. **Extend Office Hours-**Department to require the RAEs to have a percentage of their providers offer extended office hours dedicated for Well Child Visits.
4. **Partner With Schools-**The RAEs partner with schools, school districts and the Colorado Department of Education on the availability and importance of Well Child Visits.
5. **State Requirement-** If legislation is introduced regarding a requirement for a well child visit at age-appropriate intervals, the PMME committee recommends that the Department support this, considering the equity of all children.

# Children's Services Steering Committee/EPSTD Advisory Board Update
