Discussion of Next Steps with Well-Child Visit Data

- **Data Requests**

January: Members overdue for a well visit

- Were they seen by their PCMP, were they seen by another PCMP, what were they seen for?

February: Members who completed or are overdue for a well visit

- How many had an ER or urgent care visit, what for?
- How many are up to date on immunizations?

Data to be broken down by race, ethnicity, language, county, and RAE
