Department of Health Care
Policy & Financing

Our Mission

Improving health care equity, access and outcomes for the people we serve while saving Coloradans money on health care and driving value for Colorado.

History

SFY21 | SFY22 | SFY23 | SFY24

Jun
Prescriber Tool "Affordability Modules" launched

Aug
APM design began

Mar
Prescriber Tool dashboard pilot

Oct
Program Year 1 launch

Jul
Conducted initial stakeholder engagement

Nov
Stakeholder sessions on proposed program design

Apr
Program redesign

Goals

Improving the accessibility of prescription therapies for all Coloradans and reducing the cost burden of pharmaceutical spending on Colorado residents and payers

Support accurate reporting of RTBI module function and use

Increasing interest in the Prescriber Tool

Policy & Financing

Shared Savings Payment

- Sharing 100% of savings generated from the Prescriber Tool in first year

- Based on comparison of PDL compliance shift pre-tool implementation and in baseline year

- Payments sent to eligible practices before the end of the state fiscal year (June 30, 2024)

COLORADO
Department of Health Care
Policy & Financing

Dashboards

- Credentials distributed per practice NPI
- Access point for the survey required for incentive payment eligibility
- Displays data for each of the four quarters of SFY23
- Facilitate communication and transparency with data that will eventually inform incentive payment
