

# Social-Health Information Exchange:

Connecting Clinical and Non-clinical Providers to Support Person-centered Care Coordination

# OeHI and eHealth Commission Background

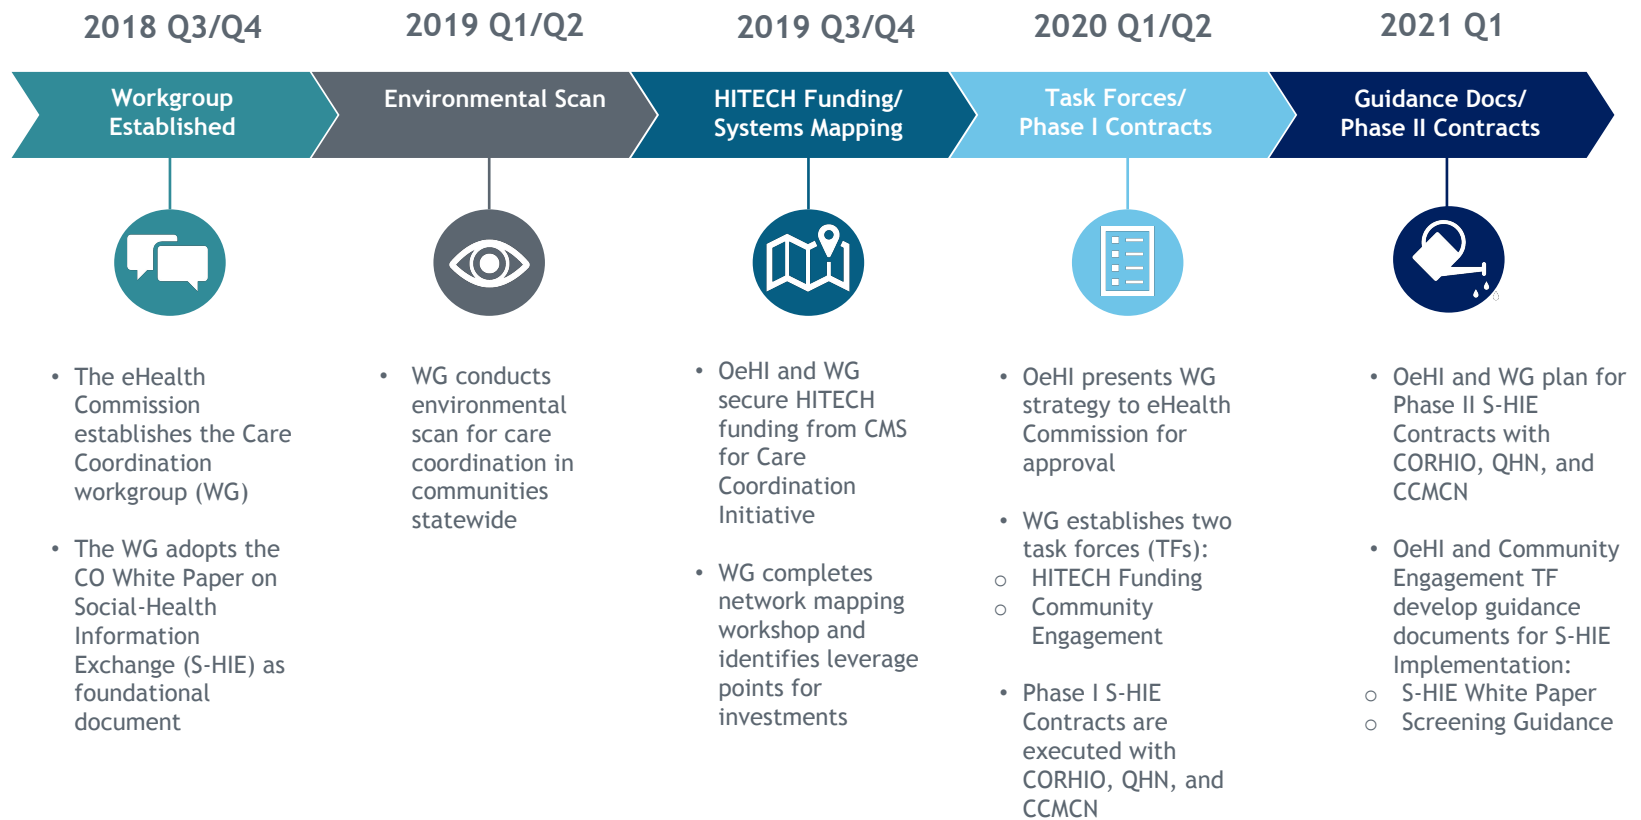

## Colorado's Health IT Roadmap

*December 2019*

- Established in 2015 through EO 2015-008
- Advance Polis and Primavera health priorities through Colorado's Health IT Roadmap
- The eHealth Commission advises OeHI and State and steers Roadmap efforts
- FY21 Goals: Advancing Colorado's Health IT Roadmap, Telemedicine, and Health Equity

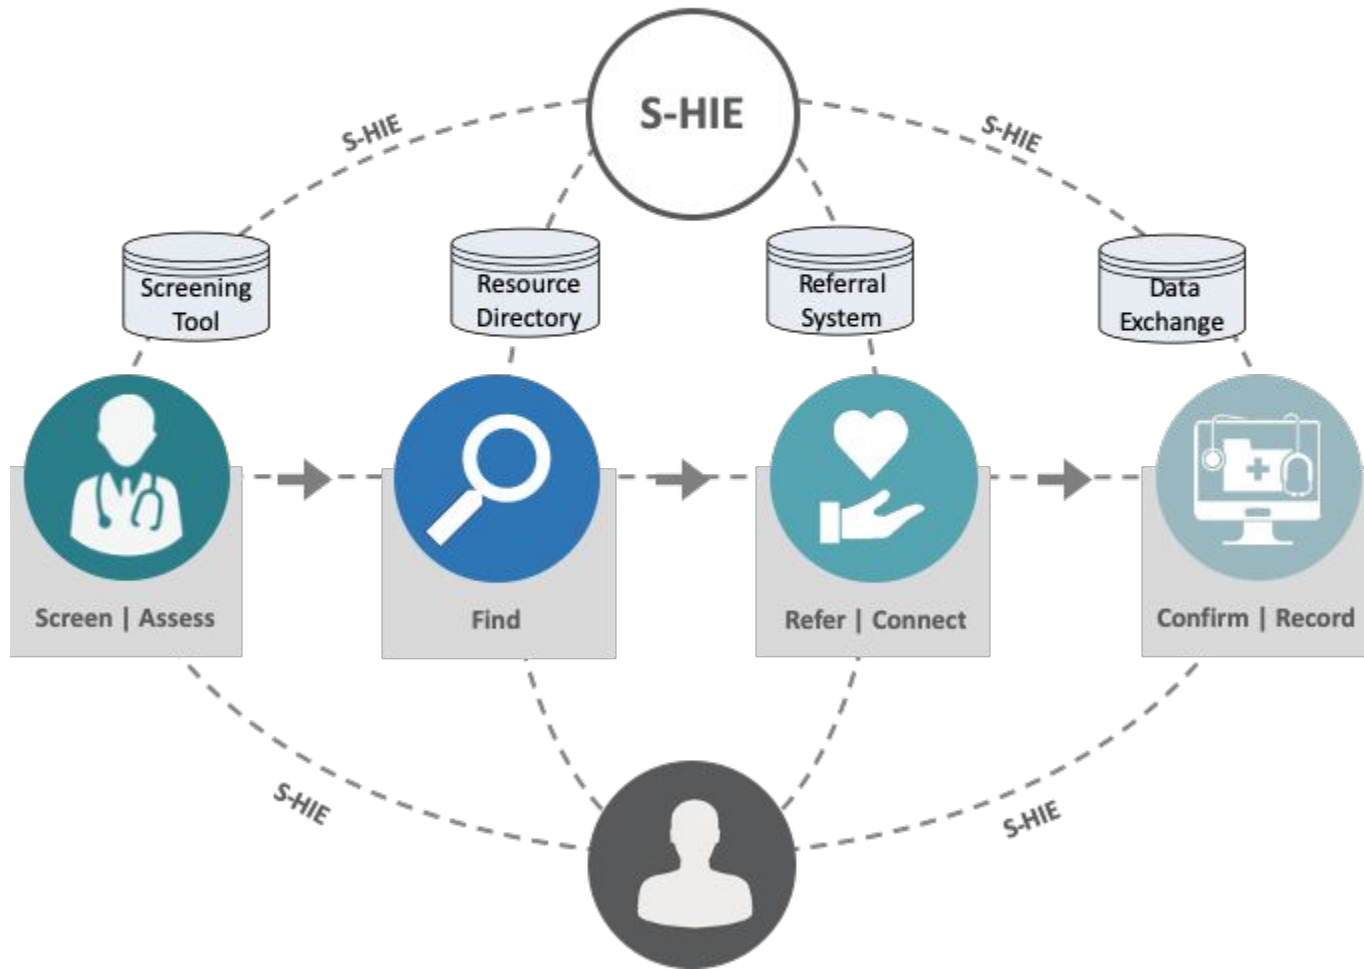

# Care Coordination Workgroup Background

# Social-Health Information Exchange

An interoperable and customizable *infrastructure* that allows multiple entities to screen and assess the needs of individuals and families, refer to clinical and non-clinical resources, and confirm whether services are accessed - optimizing *care coordination* across clinical and non-clinical teams

# What does success look like?

Integrated activities around a shared vision

A regional approach for building towards a statewide infrastructure

Common data standards and a centralized community resource inventory

A process for leveraging funding resources and public/private partners
