

Residential and Inpatient Substance Use Disorder Providers

Updated June 2021

Regional Accountable Entity (RAE) contracting and network development is an ongoing process, and this list is updated regularly. RAEs may, in some cases, work with providers out of their network to ensure continuity of care for members. Please reach out to a member's RAE for more information about access to out of network care.

Provider	Address	City	County	ASAM Level(s)	Contracted RAE(s)	Phone
