

Supervision for Non-Physician Practitioners (Registered Nurses only)

Registered Nurses, by state regulation, require supervision and must complete this form to enroll with Health First Colorado, Colorado’s Medicaid Program.

Complete one of the sections below (A, B or C).

Benefit services by registered nurses must be provided in compliance with the following requirements:

- Services must be performed under the supervision of an advanced practice nurse (APN) or physician (MD) who is immediately available when services are provided.
- Services must be ordered by the supervising APN/MD.
- Claims must be submitted through the enrolled employer of the RN. Registered nurses must look to the enrolled provider for compensation.
- The supervising APN/MD National Provider Number (NPI) must appear on the claim form as the supervising physician, the referring provider, or the billing provider.
- Claims must be billed using procedure codes specifically designated for non-physician billing.
- Claims must identify the registered nurse with their NPI, as the rendering provider.

A. Supervising APN/MD Identification

The registered nurse applicant must identify the Health First Colorado enrolled APN/MD(s) who will provide supervision. The supervisor’s original signature must be included on this form. An original signature assures that the supervisor is aware of and understands the supervisory role and requirements.
