Attendee: I am curious where do Broomfield County Health First Colorado members access care?

**Allie Morgan, CHI:** Replying to "I am curious where d..."  
Good question, [Attendee]. I think our colleagues at the Dept can pull those for you!

Attendee: Can you please return to the map?

Daphne, a note that there's a link up in the chat with a screenshot if helpful.

Attendee: Thank you.

**Suman Mathur, CHI:** Replying to "I am curious where d..."  
PH - 35% Adams, 27% Boulder, 14% Broomfield, 13% Denver, 10% Jefferson  
BH --38% Adams, 21% Denver, 16% Boulder, 16% Broomfield, 7% arapahoe

**Mark Queirolo, HCPF:**

Attendee: Agreed, [Attendee]

Attendee: Agree Cristin [Bates, HCPF], and would say that the contracts have different payment models that impact programming.  
Replying to "I am curious where d..."

Attendee: How will more programs/services in Boulder County be funded?

Attendee: How will you prevent services in Boulder County from being diverted to the Western slope if Boulder is part of Region 1? [Attendee], NAMI Boulder County

Attendee: Agreed,[Attendee]

**Allie Morgan, CHI:** Thanks to everyone posing questions in the chat -- knowing that our remaining time is short, please feel free to share additional questions and

comments here and we will make sure to capture all of them as part of our notes/summary.

Attendee: I wonder about the member experience. If a person can access care outside the County, but those services cross RAE/BHASO regions, would the person need to be in contact with multiple RAEs for care coordination and if they had issues with some of their care?

Attendee: I think you are absolutely right, [Attendee]

Attendee: Agreed [Attendee]

Attendee: It is making a system that is already broken, more complicated

Attendee: Agreed, [Attendee]

**Mark Queirolo,** Replying to "I wonder about the m..."

**HCPF:**

Members will only be enrolled with one RAE/BHASO. It is the RAE/BHASOs responsibility to coordinate care for the member wherever it makes sense for the member to access care, regardless of what region the provider resides.

Attendee: Sorry I didn't introduce myself. [Attendee], Mental Health Partners serving Boulder and Broomfield.

Attendee: From Public Health's perspective, we continue to build collaboration with other LPHA's and with the members of the RAE's to develop regional collaborations. Moving to the Western Slope would greatly diminish those opportunities.

Attendee: I realize there are many considerations, but we urge you to put PEOPLE FIRST.

Attendee: Our focus at MDPH is looking at PH, health systems, RAEs, and HS agencies. We can build off of our efforts and momentum.

Attendee: It might be an opportunity to think about moving southern Colorado into region 1 - it is rural where care patterns are similar and would bolster population

**Sara Schmitt, CHI:** Last link - if you don't complete the survey by 10am you can respond/provide input via the open feedback form:

Attendee: MDPH is metro Denver Partnership for Health

**Allie Morgan, CHI:** Thanks very much for your good questions and comments, everyone.

Attendee: Replying to "I wonder about the m..."

Again, that seems to point to [Attendee]'s earlier question about the need for multiple.
