Dear Trading Partner/Submitter,

It is anticipated for August 11, 2021, that the Remittance Advice (RA) Comma-Separated Values (CSV) file available for download through the Provider Web Portal Search Payment History panel will be updated to add a line break between each record for clarity. The RA is available for download as PDF and CSV file formats. This guidance is not applicable for providers or submitters that do not use the CSV format, or only use X12 835.

Thank you,

Department of Health Care Policy & Financing
