Dear Ambulatory Surgical Center (ASC) Provider,

It has been discovered that the ASC grouper 10 rate for procedure code 36561 was transposed over the course of the implementation process. The correct rate is \$1831.06. The rate loaded into Colorado interChange is \$1813.06.

Approval from the Centers for Medicare and Medicaid Services (CMS) must be received regarding the revision of the rate to remain in compliance with Federal requirements prior to correcting the rate in Colorado interChange.

Providers are requested to continue to bill usual and customary charges or the correct rate of \$1831.06. Once CMS approval is received, the affected claims will be reprocessed. More information will be provided in future communications.

Contact Marli Firillo at [Marli.Firillo@state.co.us](mailto:Marli.Firillo@state.co.us) with questions or concerns.

Thank you,
