COLORADO
Department of Health Care
Policy & Financing

What is a Waiver?

Home and Community Based Services (HCBS) Waivers are programs offering services and benefits to help people with specific health conditions live more independently in the community. Waiver programs give you

choice, control, and access to a full array of supportive services.

Supported Living Services (SLS) Waiver

If you have an intellectual or developmental disability, this program provides supportive services to help you live in your home or community.
