Dear Behavioral Therapy Provider,

A free virtual series targeting behavior-analytic work with members engaging in moderate-to-severe problem behaviors will be available by the behavior analysis research team at the University of Colorado at Denver. Any credentialed board-certified behavior analyst (BCBA) or board-certified assistant behavior analyst (BCaBA) working in the state of Colorado may register for this [event](#).

Enrollment is limited to 20 BCBA or BCaBA into the first series that will meet once per month for two hours starting in October. Additional training will be offered in the spring of 2023. Presentations will include three national speakers and three local speakers. Participants can receive five free BACB continuing education units. Please consider this opportunity to maximize care for members in Colorado engaging in moderate-to-severe problem behaviors.
