

Health First Colorado Breast Pump Suppliers

Health First Colorado covers both manual and electric breast pumps. Pregnant members may receive a pump as early as the 28th week of pregnancy. Postpartum members may receive a pump at any time. Breast pumps may be prescribed by a physician, physician assistant, nurse practitioner, or certified nurse midwife.

For more information, visit the [Durable Medical Equipment, Prosthetics, Orthotics and Supplies \(DMEPOS\) billing manual](#) and [Durable Medical Equipment HCPCS Codes](#).

Below is the most up-to-date list of suppliers providing breast pumps to Health First Colorado members. There may be other suppliers available not listed, including both pharmacies and durable medical equipment (DME) companies. Members can obtain a breast pump from any enrolled supplier, as this list serves as a resource only.
