

Dear Provider,

Keystone Peer Review Organization (Kepro) will be offering provider training on the Atrezzo Provider Portal for **providers who submit Prior Authorization Requests (PARs) for all Fee-For-Service Health First Colorado (Colorado's Medicaid Program) benefits that eQHealth Solutions, Inc. currently authorizes.**

Refer to [Health First Colorado Fee Schedule](#) on the [Provider Rates & Fee Schedule web page](#) to determine what services require a PAR. Providers are reminded that the inpatient hospitalization review program, pediatric long term home health and private duty nursing PAR requirements are currently suspended.

This does not pertain to providers who submit prior authorization requests for different Office of Community Living (OCL) waivers, including Over Cost Containment (OCC), Children's Extensive Services (CES), Preadmission Screening and Resident Review (PASRR), and Children's Home & Community-Based Services (CHCBS).
