

Are you living in a Nursing Facility?

Do you want to
RETURN to a
COMMUNITY
SETTING?

Health First Colorado (Colorado's Medicaid Program)
can help you understand your options.

Transition Services help you:

- Determine if transition to a **community setting** is possible, e.g. assisted living, your own home, or with family and friends
- Coordinate your transition
- Explore different housing opportunities
- Improve your access to an array of Home and Community Based Services (HCBS)
