

The following Transition Services are offered through Home and Community-Based Services (HCBS) waivers to anyone experiencing a life transition or transitioning from an institutional setting. These transition services have been added to supplement existing HCBS waiver services (see table). Transition Coordination is only available to individuals transitioning from an institutional setting (nursing home, Intermediate Care Facility (ICF), Regional Center).

Transition Coordination - Transition assessment, risk assessment, transition planning, coordination of transition services and monitoring and follow up activities provided for institution to community transitions

Life Skills Training - Training on skills for living in the community

Home Delivered Meals - Access to nutritious meals for those with special dietary needs

Transition Setup - Coordination and funds for setting up a basic living arrangement

Peer Mentorship - Support from a peer with shared experience conducive to transitioning into the community
