Dear Provider,

Health First Colorado (Colorado's Medicaid Program) provider rate decreases were approved during the 2020-2021 legislative session and are effective for dates of service beginning July 1, 2020. All rate adjustments are subject to Centers for Medicare & Medicaid Services (CMS) approval prior to implementation. The fee schedules located on the [Provider Rates & Fee Schedule web page](#) have been updated to reflect the approved 1.0% across-the-board (ATB) rate decreases. Refer to the [July 2020 Provider Bulletin \(B2000450\)](#) for further details.

Some claims will be reprocessed by DXC and funds will be recouped in accordance with the ATB rate decreases. Adjustments will appear on Remittance Advice reports beginning Monday, July 27, 2020.

Thank you,

Department of Health Care Policy & Financing
