

Dear Provider,

The Department of Health Care Policy & Financing (the Department) is seeking to engage stakeholders as it considers the effects of recent emergency telemedicine rules and Senate Bill 20-212 legislation on access, quality of care, budget, and provider and member experiences. The goals are to ensure that members have access to quality telemedicine services and to fulfill the Department's requirement to compile, summarize and publicly report on utilization of services.

A stakeholder engagement kickoff meeting will be held on July 29, 2020, from 4:00 - 5:30 p.m. MT.

Plans for evaluation (including utilization data), plans to gather input, and plans to ensure providers are aware of billing and other compliance requirements, will be shared. Participants will be asked to help shape future engagements by sharing questions and concerns.
