Policy & Financing

Dear Provider,

Our records indicate that your Health First Colorado (Colorado's Medicaid program) provider enrollment application fee was waived due to the public health emergency (PHE). Any provider enrollment requirements waived during the PHE must be completed to continue enrollment beyond the PHE. This includes paying an application fee if required for your provider type.

If you have not already done so, please complete payment for your enrollment application fee as soon as possible through the Provider Maintenance feature of the [Provider Web Portal](#). Reference the [Paying a Previously Waived Enrollment Application Fee document](#) for more instructions.

Contact the [Provider Services Call Center](#) with any additional enrollment questions.

Thank you,

Department of Health Care Policy & Financing
