

## **Your dental benefits summary**

### **Home and Community-Based Services for Persons with Developmental Disabilities and Supported Living Services Waivers**

You have dental benefits through DentaQuest, a partner of Health First Colorado (Colorado's Medicaid program). All Health First Colorado members and recipients of the Home and Community-Based Services for Persons with Developmental Disabilities and Supported Living Services Waivers have dental benefits.

You can find general information about your coverage, including what is covered, below:

#### **About your coverage**

##### **Are there co-pays, a deductible, or an out-of-pocket maximum?**

No. The dental benefit does not have co-pays, deductibles, or an out-of-pocket maximum.

##### **What are my annual limits and maximums?**

There is no annual limit for Health First Colorado members aged 21 years and older. In addition to the Health First Colorado benefits, adult waiver members aged 21 and over may receive up to \$2,000 in basic dental benefits per your service plan year and have access to additional services through the waivers.

Division for Intellectual & Developmental Disabilities (DIDD) and Supported Living Services (SLS) adult waiver participants may also receive up to \$10,000 in major dental benefits over the 5-year span of the waivers.

##### **Are there any benefit limits in emergency situations? Is Prior Authorization needed in emergency situations?**

No. There are no limits on how often you can use your benefits in emergency situations. Prior authorization is not needed in emergency situations. If you have a dental emergency, call your dental provider. If you can't reach your dental provider, go to the nearest emergency room.

##### **Do I have out-of-network coverage?**

No, you do not have out-of-network coverage. Health First Colorado only covers Health First Colorado-enrolled providers. Please call DentaQuest to help you find a dental provider.
